

# Doosan Lentjes

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and power generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. **From 01 January 2022 we are looking for:**

## Bid Manager (m/f/d)

— Ratingen (Headquarters)

### Your Tasks

- Preparing binding offers adhering to current guidelines
- Monitoring and control of cost budgets, resources, and schedule for bid preparation
- Preparing documentation for risk analysis together with the commercial project manager
- Leading the project team, heading the technical and commercial bid preparation, handling external correspondence
- Bid clarification meetings and contract negotiations with clients
- Support of sales and business development

### Your Profile

- Completed university or technical college education (preferably mechanical, process or energy engineering, physics, or chemistry) or comparable training
- Several years of professional experience in bid management for large-scale plant engineering, procurement, and construction
- Preferably experience in international power plant engineering, construction of gas cleaning plants or waste to energy plants
- Experience in leading project teams
- Knowledge of contract law and drafting of contracts
- Intercultural competence and ability to work in a team
- Systematic and independent method of working
- High level of personal commitment
- Business fluent German and English language skills, other foreign languages desirable
- General willingness to travel for short stays abroad

**What we offer you (move the cursor over the icons to learn more)**

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Diel** at [DL.Human.Resources@doosan.com](mailto:DL.Human.Resources@doosan.com), stating your salary expectations.
