

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and power generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. ***As soon as possible we are looking for:***

Mechanical Engineer Boiler Equipment (m/f/d) — Ratingen (Headquarters)

Your Tasks

- Independent processing of various purchased parts of a boiler for waste incineration and / or sewage sludge incineration plants or plants for the circulating fluidized bed
- Processing of inquiries, orders, manufacturing and assembly
- Preparation of specifications
- Start inquiries, evaluate offers, hold discussions and award or contract negotiations with suppliers, support through to delivery or assembly
- Check, collect and compile documentation
- Participation in project meetings, design reviews

Your Profile

- Completed technical studies with professional experience or technician with professional experience in the field of power plant construction or comparable training
- Good knowledge of MS Office
- Knowledge of CAD programs is desirable
- Good German and English language skills, another foreign language is an advantage
- Excellent spatial imagination
- Willingness to undertake occasional national and international business trips
- High willingness to solve complex tasks creatively
- Ability to safely control scheduling processes

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Diel** at DL.Human.Resources@doosan.com, stating your salary expectations.
