

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and power generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. ***As soon as possible we are looking for:***

Assembly Planner (m/f/d) – Ratingen (Headquarters)

Your Tasks

- Ensuring the quality, on-time, and budget-compliant assembly planning and / or assembly monitoring of plants
- Creation of assembly concepts and assembly schedules, both for the processing and for the tender preparation of plants
- Creation of assembly inquiries and the assembly calculation
- Carrying out award negotiations with assembly companies
- Management and monitoring of assembly partners
- Assembly progress tracking and reporting
- Interface to customers, partners, and consultants

Your Profile

- Completed engineering degree with a focus on mechanical engineering, process engineering or similar
- At least 3 years of professional experience in the field of assembly or commissioning or in project management
- First management experience in projects or sub-projects
- Good knowledge of the common regulations (including QHSE)
- Good knowledge of German and English
- Willingness to stay abroad

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Diel** at **DL.Human.Resources@doosan.com**, stating your salary expectations.
