

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and power generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. ***As soon as possible we are looking for:***

Subproject Manager Water-Steam-Cycle (m/f/d) – Ratingen (Headquarters)

Your Tasks

- Ensuring the quality, on time and on budget sub-project management for the water-steam cycle (WSC)
- Leading and controlling the sub-project team & the subcontractor
- Planning and control of engineering dates
- Active progress tracking
- Coordination with consortium partners and customers

Your Profile

- Completed engineering degree (mechanical engineering, process / electrical engineering) or comparable training
- At least 5 years of professional experience in project management - preferably in plant engineering
- Several years of management experience in sub-projects
- Knowledge of content in the area of WSC and the interfaces
- Business fluent English and German language skills
- Knowledge of deviation management and the common PM tools
- Willingness to go on business trips both nationally and internationally

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Diel** at DL.Human.Resources@doosan.com, stating your salary expectations.
