

DOOSAN Lentjes

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and energy generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. **As soon as possible we are looking for:**

Corporate Controller for Overheads (m/f/d) – Ratingen (Headquarters)

Your Tasks

- Monthly reporting, as well as target/actual comparisons of overheads
- Coordination and preparation of cost centre planning and planning of tender and R&D commissions
- Investment planning and controlling
- Supervision and control of monthly capacity planning, monthly reporting and booking of monthly actual and planned hours in SAP
- Determination of hourly rates-full costs, IFRS and HGB
- Cost accounting and overhead cost controlling in SAP R/3

Your Profile

- Completed business studies or comparable professional training
- 3-5 years of professional experience in corporate controlling, preferably in plant construction
- Very good knowledge of SAP R/3 (CO module) and very good knowledge of MS Excel incl. VBA programming
- Business fluent in German and English
- High level of personal responsibility, attention to detail, strong analytical skills

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Azmee** at **DL.Human.Resources@doosan.com**, stating your salary expectations.
