

DOOSAN Lentjes

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and energy generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. **As soon as possible we are looking for:**

Commissioning Engineer (m/f/d)

– Ratingen (Headquarters)

Your Tasks

- Ensuring that the commissioning and/or commissioning planning of plants is carried out in accordance with quality standards, deadlines and budgets
- Creation of commissioning concepts, calculations and commissioning schedules
- Assessment & monitoring of the commissioning progress and arrangement of appropriate measures in case of schedule postponements or delays with the commissioning manager
- Coordination of interfaces to the head office, customers, partners

Your Profile

- Completed engineering studies with focus on mechanical engineering, process engineering or comparable education
- At least 5 years of professional experience in commissioning planning of plants as well as first experiences in commissioning execution - preferably in power plant construction
- Good knowledge of the common regulations (e.g. VGB, EN and HSE)
- Business fluent English language skills
- Willingness to work abroad

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Azmee** at **DL.Human.Resources@doosan.com**, stating your salary expectations.
