

DOOSAN Lentjes

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and energy generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. **As soon as possible we are looking for:**

International logistician (m/f/d) – Ratingen (Headquarters)

Your Tasks

- Planning and implementation of general and project-specific logistics concepts in the offer and order stage of international plant construction
- Organization, control and monitoring of transport processes from manufacturing sites to construction sites, taking into account project-specific requirements
- In-house consulting and implementation of customs and foreign trade regulations
- Consulting for the implementation of letters of credit as well as procurement, preparation and submission of letter of credit documents
- Good understanding of contractual contexts with logistics relevance
- Preparation and negotiation of project-specific logistics specifications
- Analysis of international freight markets and relevant trends
- Tendering and contracting of packaging and forwarding services
- Completion of Instrastat reports

Your Profile

- Degree in freight forwarding, commercial training or comparable qualification
- Several years of professional experience in a comparable position, preferably in the field of international power plant or plant engineering and construction
- Ability to analyze and process-oriented way of working
- Ability to work constructively in a team, willingness to make decisions and entrepreneurial thinking
- Intercultural competence in an international environment.
- Good German and English language skills

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Azmee** at **DL.Human.Resources@doosan.com**, stating your salary expectations.
