

DOOSAN Lentjes

Doosan Lentjes is a German provider of proprietary environmental technologies for thermal waste treatment and energy generation. Our areas of expertise include the incineration of renewable fuels such as waste, sewage sludge and biomass, heat recovery systems and flue gas cleaning equipment. However, our most important resource is our employees, which is why we offer them exciting projects and the opportunity to develop and take on responsibility – every day. **As soon as possible we are looking for:**

Scheduler (m/f/d) – Ratingen (Headquarters)

Your Tasks

- Developing, preparation and monitoring schedules for both the bidding phase and for project execution
- Analysis, control and monitoring of deadlines and project progress in the head office, at sister companies, partners if applicable, and on construction sites
- Continuous tracking of project work and information to project and construction site management on the current schedule, progress and hours situation
- Preparation of an “Early Activity Schedule” for the start-up phase of a project
- Ensuring that all required regulatory and contractually defined customer specific approvals, inspections, etc. are coordinated with the customer in terms of schedule and progress

Your Profile

- Completed university education, ideally mechanical engineering, process engineering or civil engineering or comparable education
- Several years of professional experience in scheduling/resource planning of major projects in plant construction
- Practice in using the tools Primavera and MS-Projects
- Business fluent German and English language skills
- Willingness to travel in Germany and abroad; if necessary, stays on national and international construction sites

Our Offer

- Flexible and family-friendly working hours with a lived home-office culture
- Flat hierarchies and short decision-making paths
- Varied projects with a high degree of personal responsibility and creative freedom
- Modern company building with inviting lounge areas
- Canteen directly on site with daily changing regional lunch offers
- Company parking spaces on site
- Health-promoting measures, e.g. possibility to obtain a company bicycle

Does that sound exciting to you and do you find yourself in this position? Then become part of the Doosan family! We are looking forward to receiving your complete application documents. Please send them to **Linda Azmee** at DL.Human.Resources@doosan.com, stating your salary expectations.
